## **ELIGIBILITY AND DEFINITION OF CLASSES**

In the following definitions of classes, First Prize wins are those gained at any Kennel Club Open licensed event (i.e. invitation events and special classes excepted).

Agility classes include obstacles with contact points whereas jumping classes have none. With this proviso classes are defined as follows:

**STARTERS:** For owners, handlers or dogs who have not won an Agility and / or a Jumping Class at a licensed Agility Test (Elementary excepted).

**NOVICE:** Open to dogs which are not eligible for Senior or Advanced classes.

**INTERMEDIATE:** Open to all except dogs eligible for Elementary and Starters' Classes at a licensed Agility Test.

**SENIOR:** Open to dogs having won at least two first prizes, one of which must be an agility class, at a licensed Agility Test (Elementary and Starter wins excepted).

## **QUALIFIER RULES & REGULATIONS**

All events must be judged under the appropriate Kennel Club regulations H & H(1) in force at the time of the event. Competitors entering any competition will be deemed to have agreed to abide by these rules and regulations. All heats must take place at Kennel Club licensed shows and should be judged using standard marking. If the entry for a heat exceeds the Kennel Club limit for a judge in a day, then the class will be equally split and another judge appointed for the second part. Qualifiers and reserves from that heat will be taken in equal proportion from each part, giving the total number originally required from that heat. Rosettes and awards remain unchanged if the heat is split. Dogs entered in any heats must be eligible for the competition entered and judges retain the right to check the height of any dog or ask to see the height stated in the Kennel Club record book. Competitors can qualify for Mini, Midi or Standard final but it must be with different dogs. The first final a handler qualifies a dog for will be the final that particular dog competes in at Olympia

### **THE KENNEL CLUB OLYMPIA AGILITY STAKES supported by PEDIGREE (Senior)**

Competitors may enter more than one dog in a heat and may qualify more than one dog for the semi-finals. Handlers may only qualify one dog for the final which will be the first dog qualified at the semi-final. Once a dog has qualified for the final / semi final, further heats may be entered for competition. The first ten dogs from each heat will go forward to the semi-finals at the Town and Country Festival at Stoneleigh and at the Royal Show, Stoneleigh. The semi-finalists from two of these heats will be put together to make a twenty competitor semi-final each day. The first five from each semi-final will go through to the final at Olympia. This competition will be classified as Senior Agility and judged under Kennel Club regulations for standard classes

### **PEDIGREE PAIRS RELAY (OPEN)**

Two dogs with separate handlers will compete over a course of between twelve (minimum) and eighteen (maximum) obstacles. When the first dog & handler return to the start / finish, there will be a baton change between handlers. No part of the second dog or handler may be over the start line; failure to observe this rule will incur a penalty of twenty faults. The baton must stay behind the start line at all times. The course must include the tyre, weaving poles, pipe tunnel and collapsible tunnel. No contact obstacles may be used. Handlers may enter more than one dog in a heat; the first dog to qualify will go into the final. Handlers may not compete in further heats for competition. The first two pairs from each heat will go forward to the final.
