About the BAA:

The British Agility Association is the UK's First Independent Agility Organisation
Founded in 2002 (*Originally EMDAC until 2005*)
One of only three agility organisations in the UK with a comprehensive set of rules & a governing body.

Steve Retter & June Bass with over 30 years of dog training experience between them, and after many years of competing & research on the Agility scene, together decided the time had come to provide an Agility service that many competitors were crying out for, basically people wanted a choice, whilst at the same time an environment to enable them to enjoy competing with their pet dogs. With the emphasis on "The Wellbeing of the Dog", encouraging a Relaxed and Friendly atmosphere, and the facility to introduce new competitors to the Sport

In 2003 EMDAC/BAA paved the way for all unaffiliated shows & independent organisations.

Statement From EMDAC September 2003

After correspondence and a meeting between East Midlands DAC and Kennel Club officials, we make the following statement in response to the Kennel Club's press release of Monday, 15 September 2003.

East Midlands DAC, Promoters of the Grand Prix Agility Series, welcomes the Kennel Clubs announcement that gives all agility enthusiasts the freedom to participate in any agility event of their choosing, in any capacity whether it be owner, handler, judge, official or promoter without fear of sanctions against individuals or their dogs.

Our reason for raising matters of concern to us with the Kennel Club, were in relation to the Competition Act 1998. The Kennel Club has assured us that they will always take the appropriate actions to adhere to the law.

"We spent many months deliberating over and developing our Rules & Policies of which we feel very flattered that others have chosen to emulate"

"Because we are Independent, this gives us the ability to be truly flexible, we are listening to our customers and improving continuously, also we are able to act immediately if changes are required"

Membership to the BAA is Free and automatic with the competitor's first entry.
The BAA is a non profit organisation.

The BAA encourages a high standard of competition

Shows run under the licence of the BAA are obliged to have Public liability insurance, and ensure health & safety measures are observed.

The BAA continues to provide new & interesting "Top Quality" competitions for your enjoyment.

Watch the BAA Website to keep abreast of the latest developments

Help!!!!

A condition of entering a BAA show brings a requirement that all competitors give some time, to assist at a ring. It is one of the things you are agreeing to when you sign the entry form.

All competitors will be allocated a time slot when they will be required to make themselves available at a ring. This will be marked on your ring cards. Each ring will have a Ring Manager who will be responsible for allocating tasks and arranging relief so that all can enjoy their dogs. If everyone does their bit, then no one should need to work more than an hour or so! No one is expected to forgo running their dog in the process of helping.

Online Running Orders

The BAA now offers all their competitors the option to download Running Orders, Ring Plans and Show Information for all BAA Shows. Please note that the online running orders ARE NOT SENT BY E-MAIL and are only available via download from the BAA website. The BAA will only publish running orders for competitors who request it. For those wishing to take advantage of our Online Running Orders service, please tick the box on the entry form & do not send an SAE. Running orders will be available approximately 2 weeks before each show. All errors/issues must be resolved at least 7 working days prior to the show. failure to do so may result in competitors running NFC (Not For Competition)

Awards

Quality place Rosettes & Trophies dependent on entry levels. Clear round Rosettes in all classes where appropriate.

Dependent on entry some levels may be combined for awards.
