Midland Counties Canine Sports

Are proud to present our first BAA Agility show for 2010
All points gained at this show count towards British Agility Association Promotion,
League Tables, TRIOS Challenge and Finals 2010.

Don't Forget Midland Counties are also holding an agility competition at

Bakewell Showground 26th 27th June

Upon the success of last years show Dogs Unleashed are holding another two day multi-MUTT doggie event. Dogs Unleashed 2010 will be held in the beautiful Derbyshire countryside at Bakewell Showground. Already confirmed for the event are licensed and pre-entered competitions such as Agility, Flyball and Gundog working tests. The event has also attracted numerous dog displays and a fast growing number of other doggie attractions.

The BAA agility will run along side all the attractions and events and will give the public an insight into the world of agility.

Each handler entering the show will be sent two free entry tickets into the showground. Camping is charged at a price of £6 per night (fri, sat, sun). Camping and day parking are hopefully going to be close to the rings, but the show layout has yet to be confirmed.

Help!!!!

A condition of entering a BAA show brings a requirement that all competitors give some time, to assist at a ring. It is one of the things you are agreeing to when you sign the entry form. If you do not wish to help then please do not enter a BAA show.

All competitors will be allocated a time slot when they will be required to make themselves available at a ring. This will be marked on your ring cards. Each ring will have a Ring Manager who will be responsible for allocating tasks and arranging relief so that all can enjoy their dogs. If everyone does their bit, then no one should need to work more than an hour or so! No one is expected to forgo running their dog in the process of helping.

Dogs which currently compete in Grade 4 or above (KC) by virtue of handlers wins with another dog may enter at one level below – PRIMARY.

INITIAL entry levels are:

KC Grade 1	= INTRODUCTORY
KC Grade 2	= PRIMARY
KC Grade 3*	= PRIMARY or NOVICE
KC Grade 4	= NOVICE
KC Grade 5*	= NOVICE or GRADUATE
KC Grade 6	= GRADUATE
KC Grade 7	= MASTERS

*Grades 3 & 5 have a choice of entry level.

For dogs not jumping their regulation BAA jump height they can be entered in either:

Pawsability - for dogs of any age that for whatever reason are not able to jump at their designated jump height as specified in height definitions. Choice of jump height 9, 13.75 or 17.75ins. No dog in this class will be permitted to jump over 17.75ins. This category is designed for young dogs just starting their agility careers and also for dogs that are returning to agility after a layoff from illness/injury. Dogs can enter this class at any time and when ready, return to their appropriate ability level & jump height. It also gives opportunity for veteran dogs to enter at lower height before fully committing to veteran classes.

NB: where Pawsability classes are not available competitors may enter NFC in other appropriate levels.

Or alternatively:

Veteran – for dogs of 7 years of age and over. Choice of jump height 9, 13.75 or 17.75ins. No veteran dog will be permitted to jump higher than 17.75ins. Once a dog enters BAA Veteran it will be expected to remain there for the remainder of its agility career and will not be permitted in future shows at Introductory, Primary, Novice, Graduate or Masters.

Status for all BAA shows is that effective at 1st October or initial entry level if entering first BAA show after that date. Dogs may retain their status for the entire BAA show season (1st October to September 30th), if the handler wishes. BAA will keep a record of results during the season. At the end of season the top performing dogs will be promoted to next level, for the following season.

An 'On Application' relegation system also operates to allow dogs to move down the levels. For full details of progression system, please refer to 'BAA Rules for Agility Competitions & the BAA website.
